Hello FRIEND and Supporter of OAGW!

**EXCITING NEWS!** We have this amazing opportunity to have Overcoming Abuse God's Way (OAGW) educational curriculum video graphed for the **OAGW GLOBAL e LEARNING** platform, KNOWLEDGE DIRECT LEARNING MANAGEMENT SYSTEM BY DIGITEC INTERACTIVE we purchased early this year. The timing for this production is **SHORT** and we need **YOUR** help! **#EndOfYearCampaign**

You can be part of this amazing Global e Learning, helping others overcome the effects of physical, sexual, verbal and emotional abuse to include neglect, rejection and financial abuse which without understanding/overcoming, can produce homelessness, mental health, sex trafficking and so much more!

The **OAGW GLOBAL e LEARNING CURRICULUM** will be made available to Restoration Homes, Rescue Missions and the Dept of Corrections with whom we already work with in addition to the same across America and third world countries we are connected to by way of missions.

It is time for those broken in spirit and lost to understand the power of the gospel of Jesus Christ unto salvation for healing and restoration! **I know – God did it for me and He can do it for them!**

The **OAGW GLOBAL e LEARNING** Curriculum Course is composed of 9 lessons for a total of 24 10-minute videos. We have a worship leader from our local area as our videographer. Our hearts are one for souls and we know yours is too! **It all seems so simple BUT we need YOU.**

In the market place to Launch this vital spirit health life source, the **OAGW GLOBAL e Learning COURSE** would take roughly \$22,000.00. **With those God has put in our path we can do this all for only \$10,000.00!**

**Wont you join us in helping transform lives, through the Gospel of Jesus Christ! Hurry, send your end of year best gift now to:**
